

CORE VALUES

Personal Values:

Honesty & Integrity

We are committed to promoting the highest standards of honesty and integrity to ensure that all members of the community recognize the inherent benefits of living these ideals and to guarantee that academic performance is evaluated reliably and rewarded fairly.

Mutual Respect

We are committed to fostering an environment in which every member of the community nurtures the spirit of trust, teamwork, openness, and respect that is necessary to embrace and fully capitalize on our professional community.

Personal Accountability

We are committed to fostering an environment where every member of the community understands and accepts responsibility for upholding and reinforcing our values.

Self-esteem

Professional Values:

Synergy through Team work

We focused on four necessary traits in order to become synergistic and succeed: A clear team purpose, solid communication, empowerment so the team can lead them, and finally make sure there is a commitment to the goal.

Pursuit of Excellence

We are committed to creating an environment where all members of the community pursue the highest possible level of academic performance and personal development for themselves and other members of the community.

Creativity and Innovation (Creative mind and synthesizing minds)

Research/Curiosity

Knowledge organization

Societal Values:

Equality

We are committed to creating an institution and a society where everyone is appreciated and judged based on their contributions and performance rather than gender, race, religion, physical abilities, sexual identity, or socio-economic condition. Through the work of this institution, we will both create awareness of, and work to eliminate, individual and institutional racism

Owning and belongingness

Citizenship/Social Morals and ethics
